Jeff Davis out of Prison—His Appearance, &c.

(Special to Cincinnati Commercial.)

FORTHES MOXROX, May 11.—A busy scene presented itself at Carroll Hall early to-day. Preparations were being made by Mr. Davis and family for their departure. At 7 o'clock General Burton arrived at Carroll Hall, and found Mr. Davis ready to accompany him.

Leave-takings were exchanged by him and his family with their friends in the fortress. General Burton walked on one side of Davis, and Dr. Cooper, his physician, on the other. Robert Davis and the brother of Mr. Davis, who arrived last evening from Vicksburg, escorted Mrs. Davis and her sister, and they were followed by several friends.

A large crowd gathered on the wharf around the steamboat landing, to witness the departure of Davis. He conversed with his friends cheerfully aboard the steamer John Sylvester. He looked much better than when imprisoned, though very pale and attenuated.

RICHMOND, Va., May 12.—Mr. Davis remained at the Spottsylvania Hotel all day, and was called by large numbers of citizens. There is no guard over him. Several bouquets were sent him.

The following is generally understood to be the programme of court to-morrow:

The prisoner will be produced by General Burton, and the Judge will discharge him. He will be immediately re-arrested on a bench-warrant to answer the indictment found against him by the Grand Jury at Norfolk.

Mr. O'Connor, his counsel, has stated to his friends that he will insist on immediate trial. Another of his counsels states that if trial is not granted, a motion for bail will be insisted on.

The general opinion is that no trial will take place now, and perhaps, not until June. Horace Greeley and Augustus Schell, of New York, and A. Welch and General Bagham, of Philadelphia, are here for the purpose of going bail for Davis.

Gold closed in New York, on Saturday at 1335.

A fire at Saginaw City, Mich., on Sunday, destroyed an entire block of wooden buildings on Water street, from Cass to Van Buren. Loss, \$75,000; insurance, \$30,000.

The Peruvian Congress has declared all disagreement with Chile ended, and the countries more firmly united than ever.

A live at Hubbardston, on Thursday, destroyed the stores of W. R. Saver, D. R. Corry, A. A. Sunderlin, and R. Webster. Total loss, \$30,000. Insurance, about \$18,000.

It is said that Greece buys seven monitors from the United States.

The Prince of Wales is in Paris.

The Jewels of the Queen of Spain have been recently sold in London. One watch brought £2200 sterling.

Horace Greeley, and others, are in Richmond prepared to give bail for Jefferson Davis, should occasion require.

People are flowing into Texas from every portion of the civilized world. The population is about 1,200,000.

A million of dollars is annually made by the sale of Florida cedarwood for lead pencils.
